Nederlandse Aardolie Maatschappij (NAM) .....	71
The Natural Gas Business .....	73
Dutch Gas Policy and Fiscal Regime .....	75
Marketing and Distribution of Groningen Gas .....	78
Revision of Dutch Gas Policy .....	80
Dismantling of Gasunie .....	81
Earthquakes .....	83
GasTerra and Gasunie in 2015 .....	84
Conclusion .....	85
Notes .....	87

## Part 2 The Changing World of NOCs

---

<b>5 Statoil's Evolving Strategy</b> . . . . .	91
National Oil Companies . . . . .	92
Norway's Oil and Gas Industry . . . . .	94
Statoil's Evolution . . . . .	95
Statoil's Performance: Past, Present, and Future . . . . .	106
Conclusion . . . . .	112
Notes . . . . .	113
<b>6 Mexico and Pemex</b> . . . . .	115
Mexico and Oil . . . . .	116
Pemex . . . . .	120
Reforma Energética . . . . .	126
The Rest of the Story . . . . .	130
Notes . . . . .	131
<b>7 A Russian Rhapsody: The Rise and Fall of Gazprom</b> . . . . .	133
The Genesis of Gazprom . . . . .	134
Russia: The Home Market and Consequences of State Control . . . . .	137
Global Ambitions: "Near Abroad" and "Far Abroad" . . . . .	144
Looking at the Future: An Ambitious Project Portfolio . . . . .	146
Conclusions . . . . .	148
Notes . . . . .	149
<b>8 China's National Oil Companies: Restructuring the Three Dragons</b> . . . . .	151
The Origins and Evolution of China's National Oil Companies . . . . .	154
Going Out: The Globalization of the NOCs . . . . .	156
China's Domestic Environment: The Structure and Control of NOCs at Home . . . . .	163
Conclusions . . . . .	170
Notes . . . . .	172
<b>9 Nigeria and Reforming Nigerian National Petroleum Corporation</b> . . . . .	175
Nigeria's Gifts . . . . .	175
Nigerian National Petroleum Company . . . . .	178
The Curse of Oil . . . . .	187
Reform Prospects and Possibilities . . . . .	195
Conclusion . . . . .	199
Notes . . . . .	200

<b>10 The Rise and Fall of Petrobras</b> . . . . .	205
Petrobras History . . . . .	205
Presalt Discoveries and a New Regulatory Regime . . . . .	212
New Refineries . . . . .	216
Corruption and Operation Car Wash . . . . .	218
What's Next for Petrobras? . . . . .	220
Conclusion . . . . .	221
Notes . . . . .	222

### **Part 3 Contemporary Challenges in Global Oil and Gas**

---

<b>11 Shell and the Arctic</b> . . . . .	227
Oil and Gas in the Arctic . . . . .	227
Shell Returns to Alaska . . . . .	228
The Years 2009–2011 . . . . .	231
Shell Finally Starts Drilling—2012 . . . . .	233
The <i>Kulluk</i> Goes Aground . . . . .	235
Shell's Arctic Exploration—2013–2015 . . . . .	238
Conclusion . . . . .	239
Notes . . . . .	240
<b>12 Australian LNG Megaprojects</b> . . . . .	243
The Project Labor Challenge . . . . .	244
Gorgon . . . . .	247
Employment Structures and Strategies . . . . .	251
Conclusion . . . . .	254
Notes . . . . .	255
<b>13 ExxonMobil and Royal Dutch Shell: The Tale of Two Projects in Sakhalin</b> . . . . .	257
A Promising Phoenix Rises from the Ashes of the USSR . . . . .	258
The Challenge of Execution . . . . .	261
Same Place, Same Conditions, but Different Results: ExxonMobil and Sakhalin-I . . . . .	267
Conclusion . . . . .	270
Notes . . . . .	271
<b>14 TNK-BP (Russia)</b> . . . . .	273
BP . . . . .	274
The Oil and Gas Industry in Russia . . . . .	274
BP's First Foray in Russia . . . . .	276
BP and TNK . . . . .	277

Key Joint Venture Events, 2003–2007 . . . . .	286
Events of 2008: Can the JV Survive? . . . . .	289
BP's Options . . . . .	292
Conclusion . . . . .	293
Notes . . . . .	294

## **Part 4 The Disrupters**

---

<b>15 Ghana and Kosmos Energy</b> . . . . .	297
Kosmos Energy . . . . .	298
Ghana . . . . .	300
The Jubilee Field . . . . .	301
Oil and the Ghana National Petroleum Corporation . . . . .	306
Jubilee's Value . . . . .	307
Conclusion . . . . .	313
Notes . . . . .	314
<b>16 Mitchell Energy and the Shale Revolution</b> . . . . .	315
Shale Exploration: The Early Years . . . . .	316
George Mitchell and the Birth of Mitchell Energy . . . . .	317
Conclusion . . . . .	327
Notes . . . . .	329
<b>17 Reliance Industries (India): Rewriting Strategy in the Downstream Business</b> . . . . .	331
Reliance Industries: The Genesis . . . . .	333
The Decade of the 1990s: From Chemicals to Oil Refining and Beyond . . . . .	338
Mukesh Ambani and the Growth of the Reliance Empire . . . . .	343
Conclusions . . . . .	350
Notes . . . . .	352
<b>18 Delta Airlines and the Trainer Refinery</b> . . . . .	355
Delta's Dilemma . . . . .	356
The Structure and Profitability of US Refining . . . . .	356
East Coast Refineries . . . . .	361
Conclusion . . . . .	368
Notes . . . . .	369
<b>Index</b> . . . . .	371
<b>About the Authors</b> . . . . .	391
